

Greetings from your Chaplains Corner

It is with a sad heart and feeling of loss that I pass on to the Parks crew that Harry Brantley, our former chaplain, informed me that his wife, Lois, passed on January 16, 2020. I am not sure how well the word spread but if this is news to you, please take a moment to remember a fine lady and supporter of the PARKS REUNIONS.

I have a list of Parks crew that have passed since our last meeting. Captain Guy Morton Neely, Jr, Raymond D. Fenno 60-61, James Schmitt 72-73, Homer C. Franklin 54-57. If I have missed any names please let me know. Hope all is well with everyone. Please feel free to contact me with any information about crew and family that need our thoughts and prayers. We all need to keep Harry in our prayers and if you can keep in contact, as friends we are the best way to help heal a heart that is suffering from the loss of your best friend and companion. Please keep me informed of all that need our help.
